

Terms and Conditions for ScratchySite Builder

Last updated: November 8, 2025

Welcome to ScratchySite Builder, developed and maintained by the Clarven Team (‘ we, ’ ‘ us, ’ or ‘ our ’). These Terms and Conditions (‘ Terms ’) govern your use of the ScratchySite Builder tool and website (collectively referred to as the ‘ Service ’). By using this Service, you agree to be bound by these Terms. If you do not agree, please do not use the Service.

1. Overview

ScratchySite Builder is a free online tool that allows users to visually create website layouts and generate clean, editable code — without writing it manually. The Service does not provide hosting or deployment, and no data is stored on our servers unless explicitly permitted by you.

2. Eligibility

The Service is open to anyone aged 13 or older. By using ScratchySite Builder, you confirm that you meet this age requirement and that your use complies with all applicable laws in your region.

3. Use of the Service

You agree to use the Service only for lawful purposes and in accordance with these Terms. You must not: use the Service to create or distribute illegal, harmful, or infringing content; attempt to reverse engineer, hack, or interfere with the Service ’ s functionality; or misuse the Service in ways that may harm others or the Clarven team.

4. Ownership and User Content

You retain full ownership and control over all projects, files, and code you create using ScratchySite Builder. We do not store, host, or claim any rights over your creations. Any project you build is saved locally on your device (as a JSON file) and can be exported as normal website files for your own use, modification, or deployment.

5. Data and Privacy

ScratchySite Builder does not collect or store personal data by default. If in the future you choose to use optional features (e.g., cloud saves, user accounts, or analytics), we will provide clear notice and update these Terms accordingly.

6. Availability and Updates

We aim to keep the Service available and functional, but we cannot guarantee uninterrupted access. We may update, modify, or temporarily disable the Service at any time for maintenance, improvements, or other reasons.

7. Disclaimer of Warranties

The Service is provided ‘ as is ’ and ‘ as available. ’ We make no warranties or guarantees, express or implied, regarding the accuracy, reliability, or suitability of the generated code or any output. Use the tool at your own discretion.

8. Limitation of Liability

To the fullest extent permitted by law, Clarven and its members shall not be liable for any loss, damage, or claim arising from use or inability to use the Service, data loss, corrupted files, or project errors.

9. Future Features and Payments

ScratchySite Builder is currently free to use. We may introduce paid plans or premium features in the future. If so, new terms will apply, and users will be notified before using any paid features.

10. Changes to These Terms

We may revise or update these Terms at any time. Updated versions will be posted on our website with the new effective date.
